**Subject:** FW: Covance Project Agreements for Your Review

Here are the first two draft Project Agreements from Covance for your review. Would you please provide me with any comments by Friday, July 12th?

Thank you very much.

Loreen:

Attached are mark-ups of two proposed Covance project agreements for your review and forwarding to Legal. Hans has reviewed the scope of work and terms and is ok to proceed with them. I've made the mark-ups that I think are needed for clarity/consistency, but I would appreciate having your input on the changes.

I would like to try and finalize these by the end of the week if possible. Please let me know if any questions.

Thanks,  
Valerie
